What do you need to do? – For Distance Learning

1. Complete and submit the application forms for **both** Windle Trust International **and** the Commonwealth Scholarships Commission. The Commonwealth Scholarships Commission online application form is available here, including information on eligibility.
<https://cscuk.fcdo.gov.uk/scholarships/commonwealth-masters-scholarships/>
2. If shortlisted for selection, attend an interview with Windle Trust International. Interviews will be held in your home country.

Application period – For Distance Learning

Applicants interested in studying via Distance Learning should apply to Windle Trust International first. We will contact you further when the Commonwealth Scholarships Commission application portal opens.

Windle Trust International application window: 6th September 2022 – 30th September 2022

Windle Trust International interviews: From 14th October 2022

Before submitting your applications, please read the eligibility criteria for Windle Trust International and the Commonwealth Scholarships Commission. Eligibility criteria are available for download from our website and are applied strictly and without exception.

We are committed to a policy of equal opportunity and non-discrimination and encourage applications from a diverse range of candidates specifically including women, refugees, minorities, candidates with a disability and candidates otherwise affected by conflict.

Please note that we are only able to nominate candidates for Commonwealth Scholarships Commission awards who have been shortlisted, interviewed, and successfully selected by Windle Trust International. Selection by Windle Trust International and nomination to the Commonwealth Scholarships Commission in no way guarantees a scholarship will be awarded.

For questions, queries and application guidance, email postgraduate@windle.org.uk

Applications can only be accepted through our online application portal at www.windle.org.uk
